Dear Linc:

The DDCI has completed his review of the CCP Budget issues and has made his tentative decisions. He made these decisions after careful review of the alternatives presented by my staff, the comments he received from you and others on those options, and the advice provided by the National Foreign Intelligence Council. The DCI will review any appeal you choose to forward. The decisions affecting your program and other programs of interest to you are shown below. You are also being provided copies of the NRP and [redacted] decision letters. A revised Community ranking list reflecting these changes will be forwarded to you as soon as possible. [redacted]

Any appeal you should wish to make is due by 15 November. Additional manpower justifications can wait a bit longer. Our staffs are in close contact on that issue. If I, or my staff, can be of any assistance to you during this period, do not hesitate to call. ☐

Sincerely,
